LEARN FILM BY MAKING FILM

## ABOUT US

We are a filmmaking school that provides you, with the fundamentals of your course of study. You are supplied with the necessary tools to translate whatever you learn in class, into an exclusive real world project, that will be featured on media archives. In essence, you are learning by doing.

Ambitious participants of SAED Training on Filmmaking at the NYSC camp

## DO YOU KNOW ABOUT COLOUR MEANINGS?

power  
sophistication  
mystrey  
death

hope  
simplicity  
cleanliness  
goodness  
purity

love  
passion  
romance  
danger  
energy

intellect  
friendliness  
warmth  
caution  
cowardice

peace  
sincerity  
confidence  
integrity  
tranquillity

authority  
maturity  
security  
stability

life  
growth  
nature  
money  
freshness

innovation  
creativity  
thinking  
ideas

royalty  
luxury  
wisdom  
dignity

## COURSES

### ACTING

It is taught by a professional film director. You will be acting in numerous filmed exercises that will be analysed in class so you can improve your performance.

### MAKE-UP

Students will learn correcting and camouflaging techniques for imperfections, such as spots and dark circles, as well as contouring effects, highlighting and shading.

### DIRECTING

We cover a comprehensive range of filmmaking skills, allowing you to explore the process of visual storytelling working with actors, interpreting scripts and gain a deeper understanding of cinematography.

### FILM EDITING

You will receive high-level instructions on how to use the editing workstations to practice your editing skills and editing the rushes to scenes from a feature film.

### PHOTOGRAPHY

We give you the opportunity to gain extensive knowledge and understanding of digital photography including light effects, shot composing etc.

### SCREEN WRITING

We cover the necessary craft skills including how to develop a cinematic concept, creating memorable characters, and the important of dramatic structure.

### CINEMATOGRAPHY

You will be taught how to creatively light, frame and compose shots by industry professionals using the latest technology to develop your expertise and real-world knowledge of crafting your image on screen.

### TV/RADIO PRESENTATION

You will explore how to become a strong storyteller through the medium of quality tutorials on topics like presenter delivery, script writing and interview techniques.

Creative and Pragmatic team after exclusive training
